DITC NEWSLETTER

DATE : JANUARY 2009 ISSUE : # 001

Introduction

Well this sounds like a repeat of the last newsletter. It has been a while since we came out with a newsletter so as before what better timing than the New Year to get things going again. One can hardly believe that the New Year has pounced upon us already. We hope that you all had a pleasant Christmas and that the New Year brings you plenty success and happiness.

New Staff

As mentioned above, there has been a fair break since we sent out our last newsletter. We have had a fair number of staff members that have joined us.

Anisha Thuthnath (ServiceCoordinator)

Online Backup

We are in the final phase of our own Online Backup Solution. This will offer live online backup at scheduled times to an offsite, secure Server.

It will backup your strategic data such as your accounting data while you are asleep.

We are offering this service at very competitive price. Please feel free to give one of our staff members a shout for more details.

3G

We have are still offering 3G mobility. Many of you might not be aware of the great offers we currently have with regards the USB 3G card.

This is a high speed Huawei E220 USB modem. The modem redines mini fashion for the elite. It is cable of speeds up to 7.2Mbps. Its USB cable can be used by both laptops and desktop computers.

Odessa Kesten (Resources Manager)

Lwandle Mthombeni (Web developer)

The two year Vodacom offerings are as follows:

500MB at R249 per month
1 Gb at R349 per month
2 Gb at R449 per month
5 Gb at R1049 per month
10 Gb at R2049 per month

There is a once off fee of R175.

No need to wait, get hold of us now and we will have you surfing the Internet from places you never dreamed possible.

Specials

For the month of January 2009 we are offering a special on an entry level HP Laser Printer.

LaserJet 1018

Laser Quality without breaking the bank. HPs affordable mono laser printer with reliable HP LaserJet Print cartridges delivers impressive results at a very low price. It's sleek, compact and it is on special this month for only R849.00 excluding VAT.

This special is valid while stocks last.

We will reintroduce the 'Specials' on our web site this year, so watch that space for some great specials.

Webmail

For those of you that subscribe to our email and hosting facilities, you will be proud to hear that we once again upgraded

Johan Steyn (Field Technician)

our online webmail facility. Check it out on

Pastel

DITC is a certified Pastel Partner and Reseller. We are proud of this status. Not only can we offer you on site support, we also do the following:

- **Installation, set up and configuration of Pastel**
- **Upgrades from previous versions**
- **Complete installations including setting up of: customers, suppliers and inventory**
- **Report Writing**
- **Supply of Pastel consumables such as invoice paper etc**

Conclusion

I would like to end off with the following with a quote by Ted Nelson:

The good news about computers is that they do what you tell them to do. The bad news is that they do what you tell them to do.

Until next time!
